We rub the skin with olive oil and sea salt to give the crackling its wonderful flavour and crunch. The Hog is cooked completely on site, slowly over lump wood charcoal & wood. Cooking time is normally around 6 hours which results in really tender, succulent pork.

ALLERGEN INFORMATION

ALLERGIES, INTOLERANCE'S AND SPECIAL DIETARY REQUIREMENTS

We take our responsibilities towards Food Safety & Allergies very seriously. By request we can provide our clients with our full allergen matrix for all the menus we offer, as required by law. In addition to this we are happy to adapt dishes to suit guest's requirements, where we can. Eg if you have a few guests with Gluten allergies and want Gluten Free bread provided, or an alternative Gluten Free dessert we can adapt the menu for you. Talk to us.

PLEASE NOTE

We are keen that all special dietary requirements are looked after well. We also proudly offer Inclusive Food menus, meaning we potentially use all of the 14 Allergens in our kitchens. We also have many items of shared equipment. Therefore it is not an allergen free area and there is always the potential for cross contamination, even with a thorough cleaning process between preparations. We ask that any guests with special dietary requirements are made aware of this before attending your event. By attending the event they accept that despite our control measures we cannot guarantee an allergen free meal. They are accepting responsibility and indemnifying us against any liability.

We will require full dietary information for these guests plus a labelled table and seating plan to make sure they are served the correct food. We may need to advise you to adapt your menu, and if required serve the guests with the special dietary requirements a completely different meal.

If we are only informed of a guest with a severe or potentially life threatening food allergy on the day of the event we reserve the right to refuse to serve them food. This would be an absolute last resort and something we would only do in exceptional circumstances.

PLANNING & FOOD TASTINGS

PLANNING

Once we've received your details from the Allington Castle team the catering planning journey starts.

We will send you a Jotform to fill in and send back to us, we can't wait to get cracking.

Our menus and T&Cs will be sent to you to make sure you have all the information you need.

Once the Jotform is returned to us we will reply via email within five working days (usually much sooner) to book a discovery call.

Within 10 working days of the discovery call you should receive an initial quotation with suggested payment schedule, and confirmation of your food tasting booking.

We will provide you with unlimited email support, and also scheduled phone calls.

Information will be noted on our booking system and will help us to have all your catering requirements covered.

A final checklist will be forwarded for completion 12 weeks prior to the event, requesting final numbers, dietary requirements and confirmation of the services we are providing.

We ask you to complete and return this within 10 weeks of the event.

At 8 weeks prior to your wedding your guest list, seating plan and menu should be locked in and your final balance paid.

That means no stress and you can enjoy the build up to your amazing day.

FOOD TASTINGS

We offer food tastings at Allington Castle for all our wedding couples. This is complementary for two people.

Dates are generally midweek evenings. You can book your date and will be asked to pre order your menu from our selection of favourites when we send you the planning Jotform.

Guests are welcome as long as we are aware and they are booked.

This would be charged at £46.00 (2024) £48.00 (2025) £50.00 (2026) per additional guest which can be paid at the tasting or added to your catering invoice.

Any further food tastings required would be charged at the rates above. If you have a tasting and then decide the venue or our catering is not for you, an invoice will be raised for our tasting service.

Canapés served will be a selection of our menu favourites. We prefer not to offer bespoke canapé tastings as producing specific canapés for two people generates lots of food waste.

This session is to give an impression of your wedding breakfast, including the style, presentation and portion size, as well as the taste.

Evening food choices are not included.

Our staff will be on hand to serve the food and answer any questions they can. Feedback is encouraged and you will be given a feedback form to fill in.

Please note that there will be other couples attending food tasting events and tables may be shared.
