WINE & DRINKS LIST 2022/2023

We work with our wine suppliers to create an interesting and varied list. Prices are kept as low as possible by sourcing good, sustainable supply. There are some excellent Fine Wine and Beer producers in Kent and Sussex, these are included on our Wine & Drinks List.

This list is designed as an addition to our Private Chef Service or other smaller, more intimate events. To complement your arrival drinks and table wine, Spirits, Liquors and Mixers are listed per bottle and drinks would be prepared by our staff to your guest's requirements. We would require a small area for preparation and can serve from a drinks station or as tray service. Any items not used during your event would be left behind for you to enjoy later.
