## PRIVATE AFTERNOON TEA MENU

Afternoon Tea is the quintessential English custom, the perfect way to celebrate christenings, birthdays, baby showers and hen parties, or just for a get together.

At Invicta Food Design our food experts have enviable afternoon tea experiences. Making pinwheel sandwiches for the Queen at Windsor Castle, icing Éclairs for Lord Sainsbury in his Hampshire home, full afternoon tea for Prince Charles whilst visiting Jools Holland at Cooling Castle and making finger sandwiches for the topping out ceremony of The Heron Tower, the tallest building in The City of London.

Book Afternoon Tea with us and let us bring this experience to you.

Afternoon Tea is an indulgence, so if you wish to complete the experience by adding Champagne, Prosecco, Pimms or sparkling Kentish wine we would be happy to serve these for you.
